

New Humanitarian Technology Humanitarians and Cyberspace

PRACTITIONERS EVENT - PROGRAM

Date: Friday, 29 November 2013

Venue: PRIO, Peace Room

Humanitarian Visibility and the Role of Social Media in Emergencies

How do humanitarian organizations handle misrepresentation of a crisis, an affected population or of themselves? Is social media transforming our understanding of emergencies, appropriate responses and responders themselves?

Time	Activity
09.00-09.30	Welcome and Coffee/Tea
09.30-10.30	<i>Protecting Beneficiaries' Privacy: A Call for Better Practices</i> Questions and Comments Anna Crowe (Privacy International)
10.30-11.30	Panel Introduction and Discussion Panel: Médecins Sans Frontières Norway, the Norwegian Red Cross, PRIO Chair: Kristin Bergtora Sandvik (PRIO)
11.30-11.50	Questions and Comments
11.50-12.00	Wrap-up and Closing Remarks

The Critical Approaches to Humanitarian Technology Conference is a collaboration between PRIO and the Norwegian Centre for Humanitarian Studies, as part of the Critical Humanitarian Technology Project.
